

## CAPITAL CREDITS

October is Co-op Month. Capital credits are just one of the benefits that you receive as a member!

### TYPES OF UTILITIES

**INVESTOR-OWNED**  
Privately owned by shareholders/investors  
*Operate for a profit*

**MUNICIPAL SYSTEMS**  
Owned by cities, counties, or states  
*Not-for-profit*

**COOPERATIVE**  
Owned and operated by the people they serve  
*Not-for-profit*

When you sign up for service with Cass County Electric Cooperative, you become a **COOPERATIVE member.**

### YOUR MONTHLY BILL

**BASIC CHARGE**  
Monthly charge that covers the cost to provide electrical service (infrastructure).  
*Included in capital credit allocation*

**FRANCHISE FEES**  
Fee charged by the cities of Valley City, Fargo, Horace, and West Fargo.  
*Not included in capital credit allocation*

**ENERGY CHARGE**  
Charges for energy consumed during the billing period.  
*Included in capital credit allocation*

**PURCHASED POWER ADJUSTMENT**  
A variable component calculated from the cooperative's monthly wholesale power cost.  
*Included in capital credit allocation*

### WHAT ARE CAPITAL CREDITS?

1

Cass County Electric tracks how much electricity you buy and how much money you pay for it throughout the year.

2

We pay the bills for things like power generation, maintenance, and new construction.

3

Then, at the end of the fiscal year, the board of directors determines if there are excess revenues, called margins.

4

Next, the cooperative allocates those margins to members as capital credits based upon their electric bill.

5

Lastly, your board of directors decides to retire, or pay, the capital credits when our financial condition permits.

### HOW DO I RECEIVE MY CAPITAL CREDITS?

**CREDIT ON BILL:**

Members with an active account

OR

**CHECKS ISSUED:**

Inactive, former members

*A minimum \$5 capital credit amount must be met.*

**\$3 million**

The Cass County Electric board of directors has approved the retirement of capital credits for the years 1999, 2000 and a portion of 2001 as well as estate and early retirement payments.

Search our list of unclaimed capital credits at [CassCountyElectric.com/capital-credits](http://CassCountyElectric.com/capital-credits) to see if anyone you know is owed money from Cass County Electric Cooperative!

The taxability of capital credits depends on if your electric bills served as a business tax deduction on your income tax return for the years in which the capital credits were allocated. For most individuals, the receipt of capital credits is non-taxable. Please contact your tax preparer if this tax deduction pertains to you, as this information is provided as a courtesy and is not intended to be construed as legal or tax advice.

# - UNCLAIMED CAPITAL CREDITS -

In March 2022, Cass County Electric Cooperative directors approved a total retirement of \$3 million in capital credits to members who purchased electricity from 1999 to 2001 as well as estate and early retirement payments. This is a list of individuals whose capital credit checks were returned or uncashed from the general retirement. *If you recognize a name, please let the individual know that they can contact Cass County Electric Cooperative at 800-248-3292 or [info@kwh.com](mailto:info@kwh.com) to claim their capital credit check.*

**Previous years' recipients can be located at [CassCountyElectric.com/capital-credits](http://CassCountyElectric.com/capital-credits).**
